E6. Family Enrichment Trip (complete only if you plan to take a trip)

Each elementary student or parent participating in a Family Enrichment Trip is required to clearly list 3 educational objectives to be considered for trip approval.

Trip destination: _____

Educational Objectives

1. _____
2. _____
3. _____

After JTerm, elementary students are required to share their experiences with their class. To do so, students have the following options to choose from to present their experiences:

- A. Three minute, multi-media presentation showcasing the educational value of the trip.
- B. One page paper, double-spaced, 12point Times New Roman font narrating the educational value of the trip. Pictures can be attached to the paper.
- C. Design a poster showcasing the educational value of the trip.
- D. You may get approval from your child's teacher for another means of presenting what was learned.
